PRESIDENT'S MESSAGE !

Our Sectional tournament had 78 individuals play in the tournament – and 68 of those won master points. Our Unit players had similar success with 30 of the 36 who played in the Sectional winning master points. My personal congratulations to Herb Wampole and Paul Andrews who won the President's Award as the Unit's top point earners in Flight A and Flight C respectively.

And our Unit Board has voted to create an opportunity to win gold and red points locally next year. We have accepted an invitation from our District to host a Regional tournament in late October 2026. Please keep that date in your calendars.

Finally, as all of you know who were at a club game last week, our new chairs have arrived! We all appreciate Marge Gilmore for remembering us and our need. On Tuesday, May 20, before the game, we celebrated the chairs' arrival with Marge's son and daughter-in-law, Tyler and Joan, and with some wonderful food provided by Marilyn Steele. Please note the picture of the plaque appreciating Marge's donation that is now on the wall in the game room.
