PRESIDENT'S MESSAGE !

It's December, the year's final month. This is also the end of my presidency of the Unit Board. I thank all of the Board members for their work for the Unit, all of those who volunteered to help at the Sectional, and all the other Unit members who have volunteered their time and their ideas. And a special thanks to Donna Parke who will be taking over as president next year.

Starting sometime early next year, the ACBL intends to start an exciting new opportunity. For ACBL members, the ACBL has been running "Glitter Points" weeks where players can earn silver, red and gold points at their local face-to-face clubs and online virtual clubs through the Community Club program. This year, these weeks have unfortunately conflicted with Sectionals and Regionals. Starting next year, to avoid those conflicts, "Glitter Points" weeks will run during the ten days of each National tournament.

Also starting next year, the ACBL intends to experiment with running these Glitter Points events during one session (morning, afternoon or evening) on two days each week. One of the likely times to have these events is either Wednesday or Thursday evenings. So, stay tuned. These may become a feature of one of our evening games.

See you all at the Christmas Party!
