Zero Tolerance

The ultimate purpose of the Z-T policy is to create a much more pleasant atmosphere in our NABCs. We are attempting to eradicate unacceptable behavior in order to make the game of bridge more enjoyable for all. Call the Director to help eradicate behavioral issues. <https://www.acbl.org/club-corner/#laws>

ACBL WILL NEVER ASK YOU TO PURCHASE GIFT CARDS!

A BIT ON ETHICS

A primary objective of the ACBL is to Continue the concerted effort begun at The Fall 1986 Atlanta NABC to try to Instill in all players the concept that Vigorous efforts should be made to insure Equity and enjoyment are benchmarks of bridge.

Every player should strive to make sure That opponents have in no way been Harmed through incomplete or misleading Information as to the meanings of his pair's Conventional calls and treatments. An aggressive approach along these Lines on the part of each and every Individual will do much to make sure That bridge remains the game that You enjoy so much.
